SECTION D – METHOD OF AWARD/EVALUATION CRITERIA

1.0 EVALUATION PROCESS

The contract will be awarded in accordance with the competitive sealed proposals process under Rockville City Code 17.62. The competitive sealed proposals method is based on discussions and revision of proposals during these discussions.

Accordingly, the City may hold discussions with all Offerors judged reasonably susceptible of being selected for award, or potentially so. However, the City also reserves the right to make an award without holding discussions. In either case of holding discussions or not doing so, the City may determine an Offeror to be not responsible and/or an Offeror’s proposal to be not reasonably susceptible of being selected for award, at any time after the initial closing date for receipt of proposals and the review of those proposals.

2.0 EVALUATION CRITERIA

a. Written Proposal Evaluation

The Evaluation Committee will evaluate the written proposal based on the following criteria.

	POINTS
Firm’s experience and past performance on local governmental finance and references	30
The responsiveness of the proposal in clearly explaining the Offeror’s Understanding of the Scope of Services	20
Documentation of Work Papers and (sample) reports	20
Cost (Fee Schedule)	<u>30</u>
	100

b. Interview Evaluation Criteria

The Evaluation Committee will evaluate the interviews based on the following criteria.

Ability to communicate technical accounting concepts to groups without accounting backgrounds	50
Experience of staff in providing auditing services to similar sized entities	<u>50</u>
	100

Clarification of Offers

An evaluation committee will evaluate the proposals from information on hand and will also ask questions to clarify information from Offerors as required. A composite rating will be developed

which indicates the Offeror's collective ranking of the highest rated proposals in a descending order.

In order to determine if a proposal is reasonably susceptible for award, communications by the purchasing manager or the proposal evaluation committee are permitted with an Offeror to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Clarifications may not result in a material or substantive change to the proposal. The evaluation by the purchasing manager or the proposal evaluation committee may be adjusted as a result of a clarification under this section.

Oral Presentations

The Evaluation Committee may afford one (1) or more of the top three (3) ranked Offerors an opportunity to make oral presentations in order to clarify their proposals. If requested, oral presentations shall be made at no cost to the City. Key personnel listed in the proposal are required to attend the interview.

Best and Final Offer

When deemed in the best interest of the City, and upon conclusion of any oral presentations and/or negotiations, the Offeror(s) may be asked to submit in writing, a Best And Final Offer (BAFO). After the BAFO is submitted, no further negotiations shall be conducted with the Offeror(s).

Note: Offerors are discouraged from submitting inflated pricing in their original response in anticipation of price negotiation and the use of a BAFO process. The BAFO process may or may not be used, or may be used on a case-by-case basis to negotiate services, deliverables, pricing terms conditions, etc. with individual respondents. Placing inflated pricing in your original response may produce a low scoring result, which prevents your proposal from reaching the negotiation stage of the evaluation process.

The City of Rockville reserves the right to reject any and all proposals and to accept the proposal the City considers most advantageous. All proposals will become the property of the City.
